

2018 OUTING INFORMATION AND FEES

Thank you for interest in hosting your outing at the Rolling Hills Country Club. Please review the following 2018 Guidelines and pricing that pertain to outings at the Club.

Reservations: Please contact Hilary Perettine, Director of Marketing and Sales, at 203-762-4604 or hperettine@rhconline.com to reserve a date.

Monday Outings are only reserved with a guarantee of 72 golfers; this is the minimum billed. Outings are required to submit a \$5,000 deposit to secure a date.

Approval Process: Outing approvals are based upon the number of participants, club staffing, course maintenance schedules and member convenience. The number of participants is to be confirmed seven (7) days prior to the event.

Cancellation. Due to the limited number of Monday outings available we require a 90 day notice of cancellation without penalty. This will give the club time to try booking an alternate outing. In the event that the outing is canceled after this period, the \$5,000 deposit will be forfeited.

Weather: In the event of a cancellation the club will make every effort to reschedule a mutually convenient date. In the event of lightening or dangerous conditions, the golf staff will suspend play. The decision to resume play will be made by the Rolling Hills Golf Staff. All decisions are final and the Sponsor will hold the Club and or its employees harmless of any decisions. If play is unable to be resumed, and there are no available dates to reschedule your event the following rules will apply for billing. If the group fails to tee off, no golf fees will be charged. One or more holes will result in a 9 hole guest and cart fee. Playing more than 9 holes will be considered a full round. The Club will try to reschedule your outing if there is an available date. In the event of cancellation due to dangerous conditions, all food and beverage will be produced; all food and beverage portion of outing will be offered inside the club and will be charged as per the original contract arrangements.
